Stillwater company offers laptop tracker

A Stillwater-based company claims that it can solve the federal government's inability to keep track of its laptop computers.

The **U.S. Commerce Department** reported last week that it has lost 1,100 laptops since 2001.

Story continues below advertisement

MyLaptopGPS not only offers a way to track laptops, but also to retrieve data from laptops if they are stolen or missing for a \$9.95 subscription fee,.

For more information, visit the company's Web site at www.mylaptopgps.com.
